

Introductory Meeting Notes - Equifood

- Client would prefer if we email him via his student email: avaneendra.sathivada@ubc.ca
- By Oct 7th - forward client an invoice with exact prices of the paid services we decide to implement
In order for him to apply for funding
- Client is flexible with the software processes we decide to use, and is flexible with the design process
- Client would like a broader time-range for dates of future meetings, and is willing to meet on weekends.
